

## GET INVOLVED IN *I FEEL YOU 2020!*

I am inviting you to disrupt the usual patron to acquisition model and replace it with a creation to ownership model.

Here's how that happens:

You purchase a 3'x3' segment of art. The cost per **3'x3' segment is \$350.00.**

For that price you get:

- a hands-on workshop for yourself or someone you love
- a meaningful connection to other people and their cultures through story and making
- attendance at a fabulous dance party for you or someone you love
- attendance to a chi-chi soiree and public auction for you or someone you love
- the ownership of something that is more than just beautiful art – it is a memorable shared experience of learning and growth

### **YOU CAN PARTICIPATE AS LITTLE OR AS MUCH AS YOU LIKE.**

We know that time is precious - so if you want to be involved but can't do the whole process, no problem.

Maybe you want to learn the skills and be guided through design, but don't like to dance - no problem! You don't have to be a part of every step of the process. We can insert you into whatever **phase** you want to be involved in.

However you get involved, you will deepen the meaning and relationship you will have with your final piece of art through the emotional satisfaction of learning and sharing in the making.

OR

### **YOU CAN SPONSOR SOMEONE YOU LOVE - WHAT A GREAT XMAS GIFT!**

Your whole family could be involved! You could even purchase many segments and create a larger work of art for your family hearth. A memory of something that you did in the spirit of togetherness, learning and connection with others.

Or

**WHAT A GREAT THING FOR YOUR EMPLOYEES TO BE A PART OF!**

If you sponsor a group through your company, they would actually be able to make you a piece of art that can proudly hang on your wall as a reminder of the team building, awareness and pride you have within your organization.

Or

**You can even sponsor a stranger! (SECRET SANTA!!)**

You can just walk about forever with the knowledge that your sponsorship will be bringing people together in a process of learning, sharing, and mental wellness through the warmth of human connection and the joy of making.

It doesn't actually have to be secret tho - we can connect you to the people that you sponsored and the guides that they worked with.

The piece that they make from your sponsorship, will be auctioned off and the proceeds will be divided and donated to a charity of your choice and the organization that supports the landed immigrants.

Or

Maybe you just want to donate some materials (felt making elements, supplies for the soiree, spirits for a dance party - soap and water??) We can talk about any support you are willing to bring to this warm and woolly wonder. Just reach out to us. We can chat about any and all ways that you can get involved in this process.
